

The drawing shows a building roof plan with a main roof area and two tool rooms. The main roof is labeled '上人屋面' (Roof for people) with a structural level of 7.000. The tool rooms are labeled '工具间' (Tool room) with structural levels of 7.400. The drawing includes dimensions, grid lines, and details of roof drains and stairs.

Main Roof Area (上人屋面):

- Structural level: 7.000 (结构)
- Area: 387.00 m²
- Dimensions: 38700 (width) x 43400 (depth)
- Grid lines: 1-8 (horizontal), A-G (vertical)
- Roof drains: 8.500 (width) x 0.5% (slope)
- Stairs: 1#楼梯 (left), 2#楼梯 (right)

Tool Rooms (工具间):

- Left Tool Room: 58.33 m², structural level 7.400
- Right Tool Room: 88.83 m², structural level 7.400
- Dimensions: 3600 (width) x 2800 (depth)
- Grid lines: 1-8 (horizontal), A-G (vertical)
- Roof drains: 8.500 (width) x 0.5% (slope)
- Stairs: 1#楼梯 (left), 2#楼梯 (right)

Roof Details:

- Roof drains: 8.500 (width) x 0.5% (slope)
- Stairs: 1#楼梯 (left), 2#楼梯 (right)
- Roof structure: 不上人屋面 (Roof for no people)
- Roof level: 10.400 (结构)
- Roof slope: 2% (slope)
- Roof material: 太阳能光伏 (Solar photovoltaic)
